Want to be more actively involved in our industry? Join an ABC committee. Committees make a positive impact by helping to guide ABC activities and services. Sign up as many staff as you would like – ABC helps you and your employees grow!

Legislative and PAC – Advances and protects ABC on legislative issues and promotes member involvement in politics. Merit shop watchdog for PLAs and other union-only activities. Helps staff raise PAC funds for political races and issues. Promotes the capabilities of our membership to local and statewide construction users and public.

Legal Rights & Strategies - Informs membership of their legal rights to work and protection under the law and develops and implements strategies to combat outside interference on members' job sites.

Safety Summit – Safety officers discuss experiences, OSHA issues, topics for training and ways to encourage employee safety and develop a safety culture. Oversees STEP (Safety Training and Evaluation program).

General Contractor Council - Promotes ABC to increase industry recognition and political strength of chapter; identifies services important to GC's, works with membership committee to identify prospective members; works to strengthen industry relationships with agencies, owners, developers, subcontractors and A/E providers.

Sponsorship – Helps raise money for events, image campaigns, charitable work and other ABC affiliate programs.

ABC Cares Committee –Identifies activities the association can participate in for the betterment of our community.

Membership – Assists the chapter in growth and development, and identifies and works with staff to recruit new members. Oversees ambassador program to welcome new members and to assure an immediate good experience is had. Educates the membership on ABC services and helps promote involvement in the association.

Special Events – Identifies events and assists with implementation and coordination of event services. Events may include mixers, golf, award programs, leadership planning, annual membership meeting and others as deemed appropriate. Heavily promotes recognition programs and works with staff to implement Excellence in Construction, Accredited Quality Contractor and leadership awards.

Apprenticeship Council (M/E/P trades only) – If interested in sitting on an apprenticeship committee, contact ABC's Director of Education for more information.

Select committee choice below; an invitation to attend the next committee meeting will be emailed. Take it for a test drive! Committees are completely voluntary. There is no obligation – financial or otherwise – and members may drop committee service at any time.

Note: please complete contact information even if not selecting a volunteer position on an ABC committee. Thank you.
