Fall Golf Classic

About ABC and Fall Golf

Associated Builders & Contractors of San Diego Inc. is a non-profit trade association committed to protecting the rights of merit shop contractors and defending free enterprise in the construction marketplace. ABC offers members a network from which to learn, to grow, and to make a difference. We do this through education and workforce development, legislative advocacy, legal representation, safety training, awards and recognition and other business services.

The ABC Fall Golf Classic is a major annual fundraiser—income generated from the event helps ABC in its ongoing fight to retain fair and open competition, quality industry training programs, and counter the attacks on the chapter and its members by special interest groups.
